fendant by any name other than John H. Putnam. They had often heard him tell his customers about "Mr. Harkness," his partner. Although he appeared to be doing a heavy business in stocks, the witnesses said that he never had a bookkeeper in the establishment until the week before the postal inspectors took charge of the office. There was no regular record of the daily transactions. Often hundreds of telegrams were sent out, Miss Drago said, advising clients to purchase Ohio Oil stock. In spite of constant objections by Lyman the young women were permitted to identify many form letters, order blanks and circulars used by the defunct Putnam Company.

Louis A. Weils, of Eric, Fenn., said that he deposited ten shares of Oklahoma Natural Gas stock as collateral on an order for twenty shares of Ohio Oil stock. He never received the oil stock, he said, and he was unable to recover the collateral. In cross-examination the defendant sought to show that under the partial payment plan he used Wells was not entitled to the oil stock until he paid all his obigations. "You could have had the coil stock until he paid all his obigations." "You could have had the coil stock with the paid all his obigations."
